

14th Annual Celebrity Golf Tournament

Waldorf Astoria Orlando
September 2018

On behalf of everyone with the David Maus Foundation we are grateful for your consideration of making a donation to our Annual Charity Event. We appreciate your support and will include your Company logo on our website. Thank you!

DAVID MAUS FOUNDATION

Support for children who are in need of medical treatment is important to the David Maus Foundation, which is why we dedicate our annual fundraising efforts to increase resources and awareness to those charities making the biggest impact in children's lives.

The David Maus Foundation is supported by people of the Central Florida and Tampa Bay communities - people who realize that everyone can make a difference, all they have to do is try and we couldn't do it without the support of YOU.

One of Central Florida's premiere charitable events, our Annual Charity Golf Tournament will be held in September at the beautiful Waldorf Astoria Bonnet Creek in Orlando, Florida. Your donation will be auctioned off at our Meet the Pros event and all proceeds will go to one of this year's fine charities dedicated to helping children with life-threatening illnesses and their families.

Ronald McDonald House of Central Florida/Tampa Bay

The Ronald McDonald Houses of Central Florida and Tampa Bay have become a signature charitable organization to the David Maus Foundation. The David Maus Foundation has underwritten two rooms at the houses for families to stay for 10 years. The Ronald McDonald House is a "home-away-from-home" for families of seriously ill children receiving treatment at local hospitals.

Leavitt Family Foundation/Crohn's and Colitis Foundation

Through the Leavitt Family Foundation, we were introduced to an amazing organization that helps children with a condition not often discussed but in need of research and assistance funds. The Crohn's and Colitis Foundation of America is a non-profit organization dedicated to finding a cure for Crohn's disease and ulcerative colitis. CCFA also hosts Camp Oasis which is a co-ed residential camp program that's mission is to enrich the lives of children with Crohn's disease and ulcerative colitis by providing a safe and supportive camp community.
