DAVID MAUS FOUNDATION

The David Maus Foundation is a non-profit organization that raises funds for children and family organizations that are dedicated to supporting their needs to increase resources and awareness, especially with life-threatening illnesses.

The David Maus Foundation is supported by people of the Tampa Bay community - people who realize that everyone can make a difference, all they have to do is try and we couldn't do it without the support of YOU!

We will be hosting our Annual Charity Golf Tournament in September and a donation from your company will be auctioned off at our Meet the Pros event and all proceeds will go to one of this year's fine charities.

On behalf of everyone with the David Maus Foundation we are grateful for your consideration of making a donation to our event. We appreciate your support and will include your Company logo on our website. Thank you!
